

Somatic Experiencing®

TRAUMA INSTITUTE

TRAINING FOR HEALING PROFESSIONALS

A Group Case Consultation With Peter A. Levine, PhD

A RARE OPPORTUNITY

The SE® Trauma Institute is privileged to offer a day of case consultations and demonstrations with author and founder of the Somatic Experiencing® trauma resolution model, Peter A. Levine, PhD.

This event is open to SE® training participants and practitioners of Somatic Experiencing®. The full 6 hours of case consultation and demonstration with

Peter will count as 2 credit hours of consultation time toward the required eighteen hours for the SEP certificate (only 1 credit hour for a half day). **REMEMBER TO BRING YOUR SESSION LOGS TO RECEIVE SEP CREDIT.**

"This is an ideal opportunity to observe Peter modeling his highly creative, intelligent and sensitive healing skills in an intimate and comfortable environment. His demonstrations and explanations furthered my understanding of Somatic Experiencing®. This last supervision with Peter was unforgettable, profound, inspiring, and a very encouraging experience for me as a practitioner."

--Victoria Mihich, MA, MFT, SEP

DO YOU HAVE A CHALLENGING CASE YOU WOULD LIKE PETER TO ADDRESS?

To have your client considered for an on-site, filmed, session/demonstration with Peter during this group case consultation, please email the following information to: Justin at traumahealing@gmail.com as early as possible.

1. Your case notes (without client name for confidentiality purposes)
2. Your name, level of SE® training you have received, and the nature of your practice
3. Client age, gender, issues and presenting symptoms
4. Number of sessions that you have seen the client and how treatment is progressing.
5. Areas you feel stuck or confused
6. Why you think Peter should see the client.
